"This is the snowman and the girl who made him. The girl decorated her snowman with purple yarn hair and colored ribbons. The snowman has feet so that he can walk."

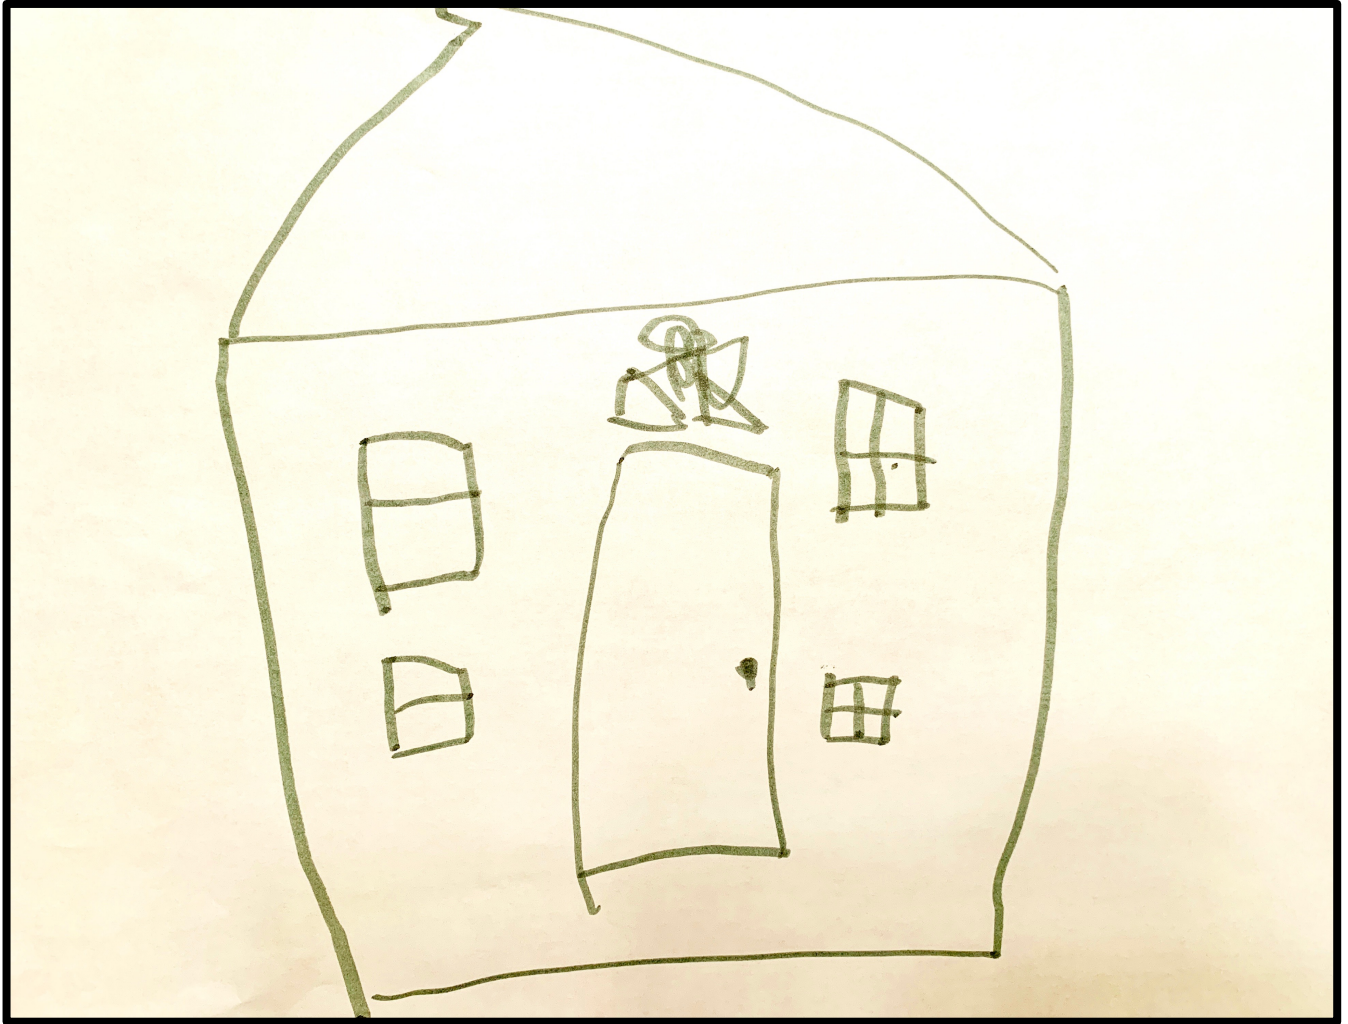

ONCE UPON A TIME

there was a snowman.

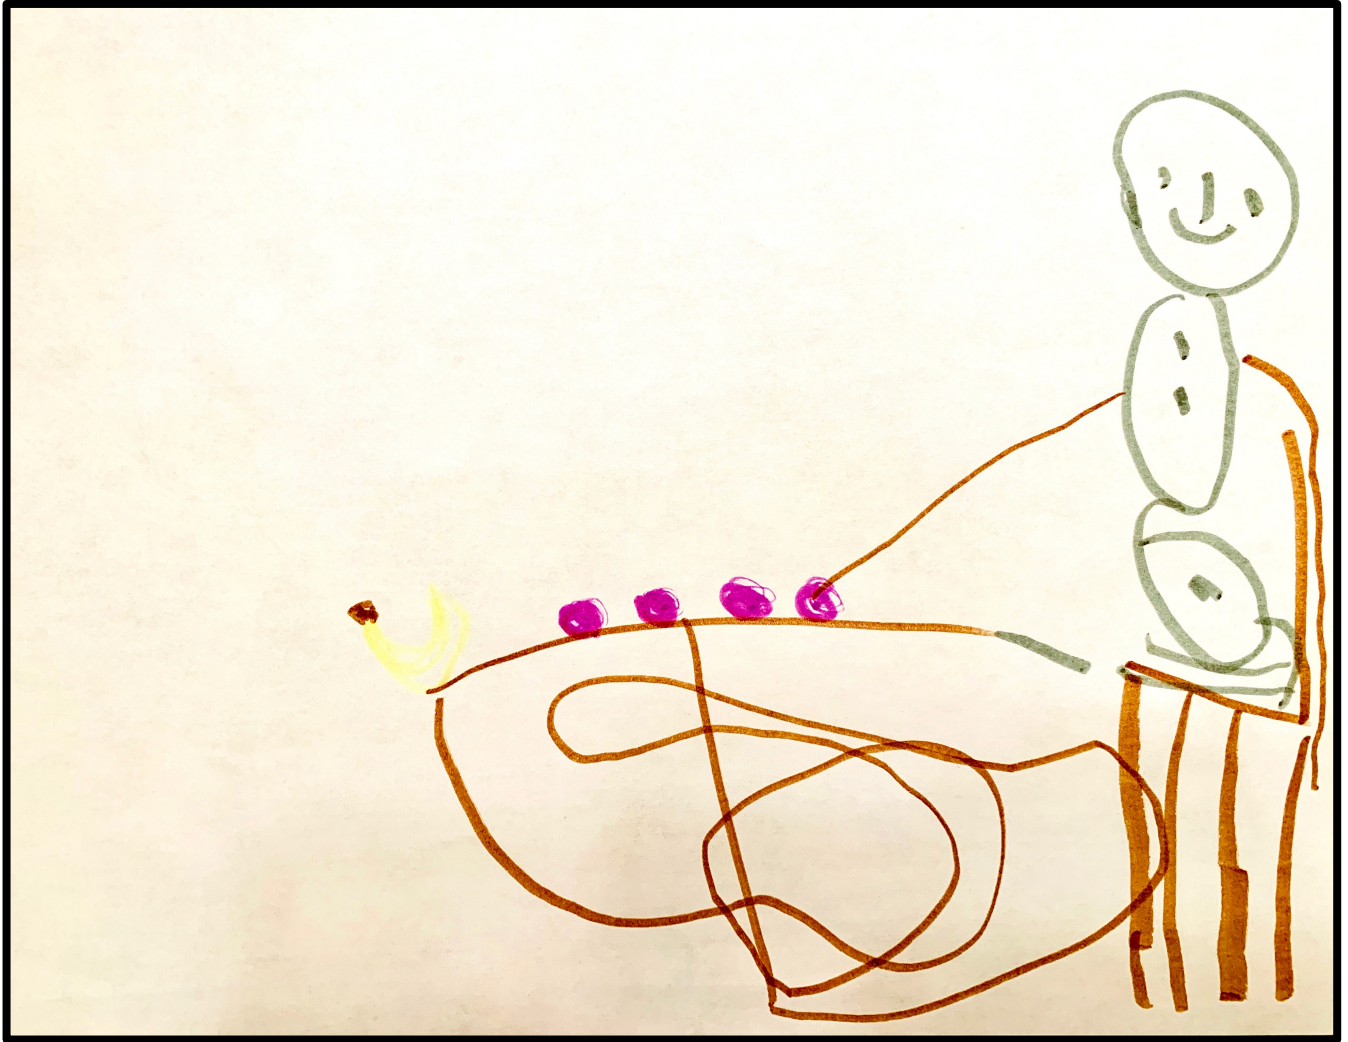

"This is the supermarket and you can see the snowman looking at fruit through the window. Then you can see him walking out of the store. The fruit is in his back pocket."

He went for a walk to the
supermarket.
He went to buy fruit.

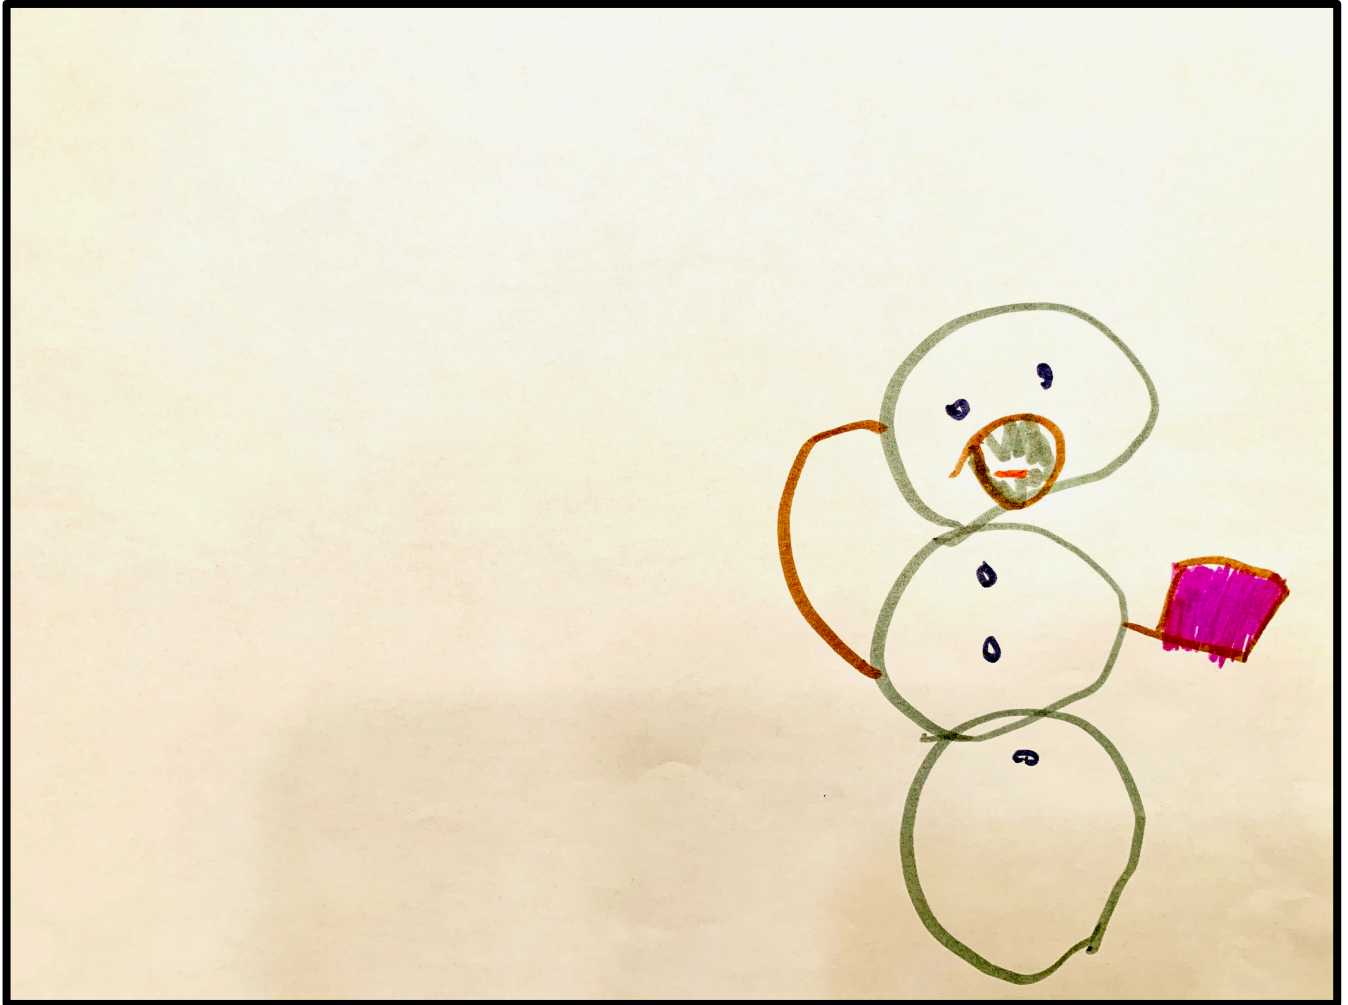

"I drew the house with gray because it's made out of snow."

Then he went back home.
He lived in a snow house.

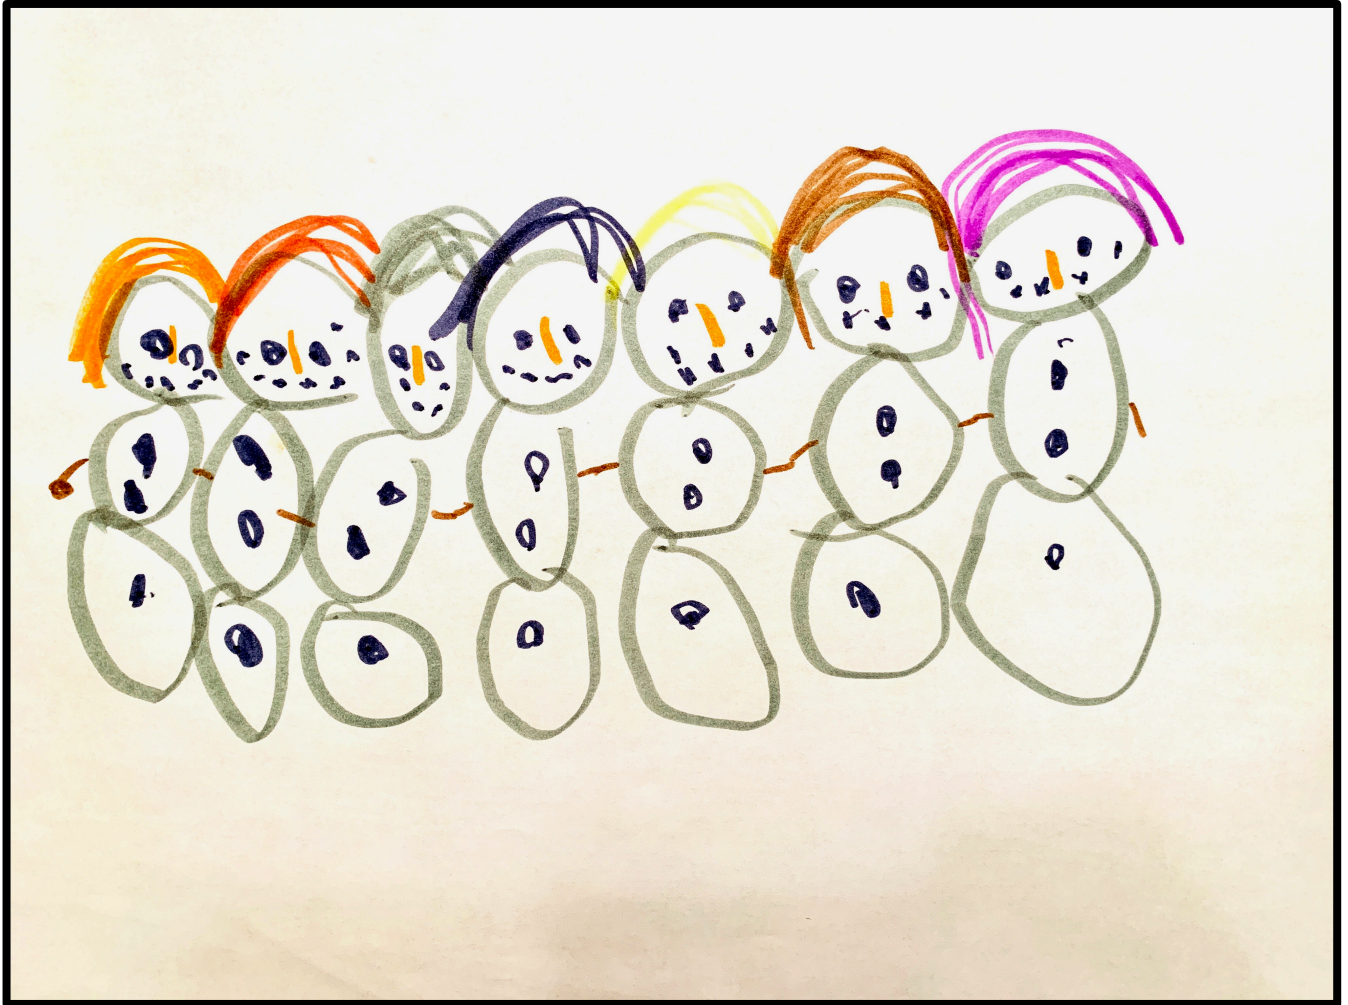

"The snowman is sitting at a table eating strawberries and bananas."

He ate the fruit.

"The snowman is holding a donut and you can see his tongue."

He went to get a donut.

"Each snowman has a different color of yarn hair."

Then he went back home to
see his *snowman* friends!
